

Name of Programme: Rashtriya Bal Swasthya Karyakram (RBSK)

1. Short write up of implementation of scheme / project:

Rashtriya Bal Swasthya Karyakram (RBSK) is a health initiative aiming at early identification and early intervention for children from birth to 18 years to cover 30 plus health conditions termed as 4 'D's viz. Defects at birth, Deficiencies, Diseases, Development delays including disability. RBSK Dedicated Mobile Health Teams across the districts of Mizoram screens health condition of children in Anganwadi Centres and Govt. And Govt. Aided Schools, whereas all newborns in public health facilities are screened for Birth Defects at birth by existing health professionals in the facility.

District Early Intervention Centres (DEICs) are established in Aizawl West District to provide services for the Northern Belt of Mizoram and in Lunglei District to provide services for the Southern Belt of Mizoram. Both centres are manned by different qualified health professionals. Children visiting DEICs are assessed and managed for their health well-being using Holistic Approach. Those conditions requiring management in higher facilities are also referred to RBSK Identified Tertiary Care Centres. Provision of RBSK Surgical Packages for 13 selected conditions help ease Out of Pocket Expenditure of patient party.
